Course Number/ Title

Term

Section 1 - Proposal - Due by end of Midterm Week

This section should be submitted and signed by the Director of Digital Humanities/Exhibitions. Attach additional pages if more space is needed.

Project Abstract:

Desired outcomes (list)

Target audience (Who does the project address and who might be excluded?)

Digital tools and resources you will be using for your project

Rationale for employing the digital medium and your chosen platform (How does digital technology support your objectives?)

Section 2 - Submission - Due by end of Finals week

Please submit the original copy of this form with Section 1 signed, along with your digital project to the faculty member or supervisor overseeing your project.

Project Title

Project URL (if applicable)

Rationale for structuring the content, including narrative or display sequence (if applicable)

Critical reflection on implementation: Successes, obstacles and areas of potential improvement
